

If I bought you a peachtree  
And put it in your backyard  
To say how much you mean to me  
I get a little slackjaw

And when we go back to school  
We're gonna act way too cool  
And keep up with the hairdos  
And smoke all natural cigarettes

If I bought you a peachtree  
To say how much you mean to me  
The dress with the polka dots  
Has me going slackjaw

And when we go back to school  
We're gonna act way too cool  
And keep up with the hairdos  
Way too cool  
Too cool
