

## Used to This

Caamp

All that you're telling me  
Every word could be wrong  
It's a symphony  
It sounds like a symphony  
Rain falling heavily  
And all the drops on the stones are in harmony  
Are we in harmony

And you say yeah  
I think I could get used to this  
You say yeah  
I think I could

Will we remember it  
Is it traced in the stars  
Is it all of it  
I think it's all of it  
I hear you in melody  
And every word of the song  
Are you part of me?  
I think you're part of me

And you say yeah  
I think I could get used to this  
You say yeah  
I think I could  
And you say yeah  
I think I could get used to this  
You say yeah  
I think I could
