

# Ain't Got No Gal In This Town

**Cab Calloway**

Poor me, I ain't got a gal in this town  
All of them turned me down  
'Cause I ain't got a gal in this town

Eee-eee-eee...  
All yellows and browns  
All of them turned me down  
'Cause I ain't got a gal in this town

Boo-hoo, you hear my mournful wail  
I even looked in jail  
For a familiar frail

Ooh-doo, you, you, you got me down  
Stop your dragging me 'round  
'Cause I ain't got a gal in this town

I've got a million gals in Memphis  
I've got a gal way out in Saint Paul  
I took my hat and left them flat  
'Cause they couldn't kick the gong
