

Boog It

Cab Calloway

Boog it, nothin' to it, Jack
Boog it, in the mellow track
Boog it, got it comin' back
Bim-bam, skim-skam, jim-jam
Romp

Boog it, ev'rybody out, boog it
Who you're hunchin' out, boog it
Ev'rybody 'bout
Bim-bam, skim-skam, jim-jam
Romp

You do like shining a window
But you ain't got no window
So you just picture a window
And boog it, slow and easy

Boog it, nothin' to it, Jack
Boog it, in the mellow track
Boog it, got it comin' back
Bim-bam, skim-skam, jim-jam
Romp

Boog it
Boog it
Boog it

Boog it
Boog it
Boog it

You do like shining a window
But you ain't got no window
So you just picture a window
And boog it

Boog it
Boog it
Boog it
Boog it
