

Hoy Hoy

Cab Calloway

When you're in the groove
And you're full of joy
Just beat your heart, roll your eyes, say hoy
Hoy-hoy

When you're feeling high
Every girl and boy
Will talk a little, peck just a little bit
Hoy-hoy, hoy, hoy-hoy-hoy

Climb into the bandwagon
Don't be too late
Get your shoes shined
It's everyone's fate

If the babies in the cradle
Have found a new toy
Then they throw the rattle away
And say hoy, hoy, hoy, hoy
