

# I'm Always in the Mood for You

**Cab Calloway**

I may not be in the mood for a movie  
Or a stroll on the avenue  
I may not be in the mood for a lot of things  
But I'm always, always in the mood for you  
Don't need a sky full of stars up above me  
Or a silvery moon in view  
Don't need a bench in the park  
To ignite the spark  
'Cause I'm always, always in the mood for you  
Oh, no one else seems to interest me  
Lordy, ain't it strange

But at the very mention of your name  
How the feelings, oh the feelings do change  
Somehow the time or the place doesn't matter  
Any time, any place will do  
Don't need a beautiful song  
To help romance along  
'Cause I'm always in the mood for you  
[Instrumental]  
'Cause I'm always always always in the mood for you  
[Scat]  
The mood for you
