Sweet Jenny Lee

Cab Calloway

Sweet Jenny Lee from sunny Tennessee,
You'll love her when you see
Sweet Jenny Lee!

Each little bird is singing merrily
Just getting set to see
Sweet Jenny Lee!

She's got that certain little something in her style,
She's got a great big bit of heaven right in her smile.

She promised me that she'd say yessiree,
That's good enough for me,
Sweet Jenny Lee.
