

# The Honeydripper

Cab Calloway

Boy, the honeydripper  
He's a killer, the honeydripper  
Salt, sweet, hot, reet  
A solid old cat  
Really, a mellow hep cat  
And he jumps  
And he sways  
And he rips  
And he rides  
And he ships  
And jumps  
He's high  
Oh my  
To dig that cat  
And jump for joy  
You dig that lick  
You dig that beat  
You get knocked out  
Right off your feet  
1, 2, 3, 4, 5, 6, oh rip it  
You take it away  
He's a killer  
Honey driller

Boy, joy, joy, hoy, boy, hoy, joy  
He's a dipper  
The honeydripper  
Boy, hoy, joy, hoy, boy, hoy, hoy, joy  
A-swing it up, bring it up, bring it on up  
A-swing it up, bring it up, bring it on up  
A-swing it up, bring it up, bring it on up  
A-swing it up, bring it up, bring it on up, boy!  
Boy, the honeydripper  
He's a killer, the honeydripper  
He's salt, sweet, hot, reet  
A solid old cat  
He's really, a mellow hep cat
