

## Wah-Dee-Dah

**Cab Calloway**

Wah-dee-dah-dee first you playing  
Wah-dee-dah-dee then you saying  
That queer melody, oh-wah-dee-dah-dee

Wah-dee-dah-dee then you singing  
Wah-dee-dah-dee then you swinging  
That funny old tune will drive me to ruin

It came along and made me its slave  
Now I'm craving things that I shouldn't crave  
Wah-dee-dah-dee deep-bok-doody  
Wah-dee-dah-dee scat-da-daddy  
That funny old tune, oh-wah-dee-dah-dee
