

## When You're Smiling

**Cab Calloway**

When you're smiling, keep on smiling,  
The whole wide world will smile with you;  
And when you're laughing (ha, ha, ha, ha!), keep on laughing (h  
a, ha),  
You'll find the sun will come shining through!

But when you're crying (boo-hoo), you bring on the rain;  
Stop your sighing and be happy again.  
When you're smiling, keep on smiling,  
The whole wide world will smile with you!
