## Feel so Good

## **Cactus**

And outer galaxy, Alpha Centauri Feels good I'm stranded on a spaceship hideaway And something makes me think I'm here to stay I'm so happy where I am Feels good I've journeyed to the other atmospheres And every breath I take just makes it clear I'm holding Heaven in my hands It's automatic baby and it Feels good When it feels so good Feels good When it feels so good Feels good These extra-sensory sensations Are causing me some complications Electrostatic information Feels good I'm playing with a pleasure trafficker Arriving soon intergalactica I'm holding Heaven in my hands It's automatic baby and it feels good Feels good Feels good Feels good Feels good When it feels so good Feels good Feels so good Feels so good Feels so good Feels good Feels so good Feels so good Feels so good Feels good I'm stranded on a spaceship hideaway Feels good

When it feels so good Feels good When it feels so good Feels good When it feels so good Feels good When it feels so good I'll fight for the Moon, Mars, Jupiter Feels good When it feels so good Feels good When it feels so good Feels good When it feels so good Feels good When it feels so good
