

## D.G.A.F.

Cadaver

You are bound  
A slave of time  
Live in remorse  
No plans are yours

It's all just in your head  
No one cares if you are dead  
It's time for you to see this clear  
That's why I shout in your ear

Fuck!  
Don't give a fuck! (x2)

Doomed to oblivion  
All dignity is long gone  
Is this really how you want to live your life?  
Get rid of your silly disguise

Fuck!  
Don't give a fuck! (x2)

I don't give a fuck
