

Deformed Insanity

Cadaver

Walls colliding
The hunter's feast
My star is shining
Follow the beast
Unholy grey nerve
Licking the floor
Deranged
Insane
Deformed insanity
Distorted flies
A swarming mass
The shock aligned
Cut wound, puss

Demon eyes see through me
Your disguise remembers me
Deranged, insane
Insane, derange
(I am disconnected)
Rip my heart
Kill my soul
Burn my will
Death is my goal
