

Disgrace

Cadaver

I hate your guts intensely
Your flesh and bones and smell
You must die, why can't you see?
Mediocre f*cking hell
Killing me with promises
Nothing at all but lies
You think you can impress me
But then you have to die
Disgrace
Disgrace
Disgrace
Disgrace
Nothing but endless disgrace
Endless disgrace
Endless disgrace
Endless disgrace

Telling me you will fulfill
Committed to the case
But all you do is make me feel
Hatred for your f*cking face
Dreams of endless torture
Boiling baths of blood
The pain I cast upon you
Makes your bones unfold
Disgrace
Disgrace
Disgrace
Disgrace
Nothing but endless disgrace
Endless disgrace
Endless disgrace
Endless disgrace
