

## Feed the Pigs

Cadaver

Corrupted arrogance like some crown of thorns to adorn  
Twisted in the grave, the dead prince's visage is torn  
Fallen lord - his bloated corpse, off it they feed  
Live insatiable frenzied hogs satisfying their greed

Feeding their greed!

Feed the pigs - feed the pigs all around you  
Feed the pigs - before they all surround you  
Let them eat the shit that they deserve  
Choking on their golden plated turd!

Feed the pigs!  
Let 'em choke on it!  
Feed the pigs!  
Let 'em eat this shit!

Hhhheeeeyyyy!!

Feed the pigs - give 'em what they want!  
Feed these fucking pigs - undeserving fucking cunts!

Watch them devour every bit of it Lapping it up - all vomit and  
spit  
They gorge on the garbage they are fed  
Not once thinking it's been long dead!
