

Final Fight

Cadaver

Don't tell me what to do
You don't know what it is
That made me be like this

I know you are all alone
Don't know where you have gone
You failed your game with me
Now pay your destiny

You wanted me to fall
But now you have to pay
Your soul is dark as night
You lost your final fight

Don't tell me what to say
I won't listen anyway
I look the other way

You wanted me to fail
But now you have to pay
Your soul is dark as night
You lost your final fight

Save me
Save my soul

Don't tell me what to do
You don't know what it is
That made me be like this

You wanted me to fail
But now you have to pay
Your soul is dark as night
You lost your final fight
