

## Let Me Burn

Cadaver

The blood and skin are melting  
Inside the funeral gown  
All earthly matters dwelling  
Inside will soon be gone

Dead  
I'm dead  
No more life to live  
No fear  
I'm dead

Let it burn

Welcoming flames  
Consume my flesh  
Let me roast and burn  
Fuck you all, I've had my turn

Dead  
I'm dead  
No more life to live  
No fear  
I'm dead

Let it burn  
Let it burn

Dead  
I'm dead  
No more life to live  
No fear  
I'm dead
