

Change My Name

Cadet

seeking, hoping, trying to be who You want
fearful, thankful, able to see a difference

change my name
change my name
i left myself, and You remain
change my name

(come and take away my breath)

break it, burn it, i know that You've always hated it
it's hard to say it, but i love You more than all of this
i love you more than this

change my name
change my name
i left myself and You remain
change my name
change my name

when it's all lost, i find a freedom
when it's all gone, i find a light
so give me a name and i'm Yours forever
oh, give me a name, and i'm Yours
i'm Yours

change my name
change my name
i left myself, i'm not the same
i left myself, in yesterday
i left myself, and You remain
change my name
change my name
