They wanna hate on the kid, on the kid, on the kid cause  
Oo cause I'm trendy (My mistake)  
Oo cause I'm trendy (All my fault)

Gyal said I'm fine, straight out the 9  
P all the time, the card can't decline  
I ain't tryna cuff no hoe, I need a dime  
Fresh home straight out the can, I'm in my prime  
Swagger all bougie, still do a booting  
Say I'm with Mooky, blad I mean't Putin  
From the road P, still Wizzy was cruising  
Didn't do talking, everything progress  
If I do charting, still I will rass him  
I can do rambo, I can do barking  
Rather just tek time, leave their head laughing  
Back it out blast him  
They came they saw, when Wayne was floored  
They locked me out, I break the door  
Bro asked for two, I gave him four  
My heart is pure, still spin your jaw

Cause that sauce comes with my drip  
Are you taking the piss  
Are you mad you ain't taking no risk

They wanna hate on the kid, on the kid, on the kid cause  
Oo cause I'm trendy (My mistake)  
Oo cause I'm trendy (All my fault)  
Oo cause I'm trendy (My mistake)  
Oo cause I'm trendy
