

Redbird outside my window
Sings a sad and lonesome song
But his words won't have wings
When I find the strength to move on

Everyday the cut feels deeper
But I know that I'll survive
Cause my faith is far stronger
Than the pain of your goodbye

(chorus)

You can burn me down to ashes
Bury me beneath your clay
But I'll rise again like Lazarus
And live to love another day

Yeah I should've known better
But I've learned my lesson well
Love's a long string of lies
Forever's some fool's fairy tale

Repeat Chorus

No love ain't seen the last of me
No love ain't seen the last of me
Let all of our forevers come crashing to the ground
This pain is not my prison
Heartache cannot hold me down
Someday I will wake up to a new sun shining bright
And you'll find me sweet salvation
In some distant angel's eyes
