Blame It On Me

Cadmium

Don't play with my heart
Just let me go
Please let me go
You like to

Love so hard and then you throw it away
(You throw it away)
You like to open scars and then you blame it on me
(You blame it on me)
You're someone I could never be with
You joke about my flaws and weaknesses
Why'd you love so hard and then just throw it away?
You opened up my heart just to close it on me
Don't blame it on me

Don't blame it on me
Don't blame it on me

You never knew how bad it was
Guess you never really can because
You said your parents never gave you hugs
And as a child you were never loved

Love so hard and then you throw it away
(You throw it away)
You like to open scars and then you blame it on me
(You blame it on me)
You're someone I could never be with
You joke about my flaws and weaknesses
Why'd you love so hard and then just throw it away?
You opened up my heart just to close it on me
Don't blame it on me

So don't blame it on me
Don't blame it on me
Don't blame it on me
Don't blame it on me
