I don't know if you got the memo  
But we are goin' out tonight, we're 'bout to chase the high  
Yeah you know we pushin' the tempo  
Eyes on the finer things in life, nah we don't wait in line

Oh-ohh  
Dressed to the nines that's how we do-doo  
We're shinnin' lightin' up the room-room  
Head to toe in gold what a view-view

We keep it cool, we keep it classy  
I don't know about you but we do it Fancy  
We keep it fresh, we keep it flashy (uh-huh, uh-huh)  
I don't know about you but we do it Fancy (fancy)  
I don't know about you but we do it Fancy  
I don't know about you but we do it Fancy

Lookin' like a scene out the movies  
We got that invite only now, penthouse we shut it down (shut it down)  
Only way we know how to do it  
Ocean of champagne flowin' out, gatsby vibes all around

Oh-ohh (yeah, girl)  
Dressed to the nines that's how we do-doo (how we do)  
We're shinnin' lightin' up the room-room (oh yeah)  
Head to toe in gold what a view-view (ohh)

We keep it cool, we keep it classy (ow)  
I don't know about you but we do it Fancy  
We keep it fresh (aye), we keep it flashy (uh-huh, uh-huh)  
I don't know about you but we do it Fancy (fancy)  
I don't know about you but we do it Fancy (we do it fancy)
