

## In Your Head

Cadmium

I don't wanna be  
Caught up inside yourself, righteous symphony  
I would rather let this go  
Than to bring it up again

But everyone I know  
They're afraid, afraid of their own skin  
With nothing left to show  
We're afraid, afraid of where we've been  
You've gotta let me in

I'm not your mother  
I'm barely your friend  
You're drowning in water  
I lend you my hand  
You're pulling the lever  
Release my regret  
Is this all you wanted?  
It's all in your head  
It's all in your head

The voice in the back of my head  
The choices that we can't forget  
The poison we take with regret  
Rejoice, 'cause they haven't found you yet

'Cause everyone I know  
They're afraid, afraid of their own skin  
With nothing left to show  
We're afraid, afraid of where we've been  
You've gotta let me in

I'm not your mother  
I'm barely your friend  
You're drowning in water  
I lend you my hand  
You're pulling the lever  
Release my regret  
Is this all you wanted?  
It's all in your head

You've gotta let me in  
You've gotta let me in
