

## Voices Inside

Cadmium

Falling off the edge  
Oh, I lost myself in my head again  
Followed where it led  
Now I'm drowning slowly in a sea that never ends

Oh, oh-oh, I feel the dark gripping me  
Oh, oh-oh, I'm in the shadows of my mind

Oh, oh-oh, I'm in the shadows of my mind

Oh, oh-oh, I'm in the shadows of my mind

Making friends  
With the voices inside my head  
Yeah, they talk to me, talk to me  
Because they know I'm listening  
Watching midnight stars are spread  
And there's nowhere to go when the thing starts thickening

(Oh-oh-oh)  
Oh, oh-oh, I feel the dark gripping me  
Oh (Oh-oh-oh), oh-oh, I'm in the shadows of my mind

Oh, oh-oh, I'm in the shadows of my mind

Oh, oh-oh, I'm in the shadows of my mind
