

# I'm My Only

Cady Groves

My heart is light  
It's late at night  
And I don't know where I'm going  
For a reason  
This world is mine  
I got the time  
Don't need to know where it's going  
This is what I needed  
The best part of being lonely  
Is knowing I'm the only

One I can let down  
One I can call  
One I can cry to when I'm losing it all  
When I fall I gotta get up alone  
I'm the one that will go down  
One I can blame  
One I can count on to not run away  
I can say  
I'm my only  
I'm my only

My hands are tied  
It's black and white  
But i'm the grey in between them  
For a reason  
Broken lines are passing by  
I find the comfort in leaving like the seasons  
The best part of being lonely  
Is learning how to save me

I'm the only one I can let down  
One I can call  
One I can cry to when I'm losing it all  
When I fall I gotta get up alone  
I'm the one that will go down  
One I can blame  
One I can count on to not run away  
I can say  
I'm my only  
I'm my only

Looking for the light  
The light in the dark  
Don't wanna pay the price for the ones before me  
Looking for the light  
The light in the dark  
Don't wanna pay the price for the ones before me

The only one I can let down  
One I can call  
One I can cry to when I'm losing it all  
When I fall I gotta get up alone  
I'm the one that will go down  
One I can blame  
One I can count on to not run away  
I can say

I'm my only  
I'm my only
