

## Mr. F

Cady Groves

When he left I threw out all his stupid clothes  
Broke my screen to pieces when I threw my phone  
Guess I went a little crazy  
I set all his shit on fire  
And I thought I needed everything a credit card could buy  
When he left I let all of my weaknesses show  
Told the world his secrets  
So now they know, oh oh  
Then I went a little crazy 'cause he left me behind  
And I'm only actin' crazy 'cause he's actin' like he's fine  
I guess he was pretty decent when he let me go

Except he broke my heart  
He won because he broke my heart  
I'm done because he  
He didn't just break it  
He hit it with his car  
He didn't just take it  
He took it way too far  
When he broke my heart  
'Cause he knows that's the one thing  
The one thing I can't afford  
Oh, oh, oh, oh

He ain't got nothin' on Keanu Reeves  
And he's got a couple crooked, messed up teeth  
But it was kind of nice how he always rubbed my feet  
It was kinda nice just watchin' movies on TV  
But he ain't got nothin' on Keanu Reeves

Except he broke my heart  
He won because he broke my heart  
I'm done because he  
He didn't just break it  
He hit it with his car  
He didn't just take it  
He took it way too far  
When he broke my heart  
'Cause he knows that's the one thing  
The one thing I can't afford  
Oh, oh, oh, oh

It's the one thing I can't afford  
Oh, oh, oh, oh  
Can't seem to find it at any store  
Oh, oh, oh, oh  
Once it's broken you can't buy more  
Oh, oh, oh, oh  
'Cause that's the one thing I can't affo-

Broke my heart  
He won because he broke my heart  
I'm done because he  
He didn't just break it  
He hit it with his car  
He didn't just take it  
He took it way too far

When he broke my heart  
'Cause he knows that's the one thing  
The one thing I can't afford
