Can't Make It Happen

Caesar

Baby, baby, I
got my eyes upon the future
It's a toxic waste of time
You can never be too careful

I have come to terms
With my limitless ambitions
It can really get you down
You don't know what you are missing

Cannot believe me now (believe me now)
Can't make it happen (believe me now)
This can't be all (believe me now)
Never be happy (believe me now)

Baby, baby, I
Feel I'm really getting nowhere
It's getting harder every time
When you think of what you're missing

Cannot believe me now (believe me now)
Can't make it happen (believe me now)
This can't be all (believe me now)
Never be happy (believe me now)

Cannot believe
I can't be all
