

Do-Nothing

Caesars

Another day
Just trying to stay on my feet
Another night
When I just roam the streets

And everything is such a blur
The way my mind's set on her
I'm trying hard to help myself
But I'm just a do-nothing

Another day
And things don't change a bit
Another job
That I just have to quit

When nothing else is going right
She makes me wanna party all night
I'm trying hard to help myself
But I'm just a do-nothing

I saw her in the park today
But I didn't have a thing to say
I tried to make her see me
She went away and I went home just to watch tv

I try my best
To get my stuff together
But I'm heavy
And she's light as a feather

And everything's such a blur
The way my mind's set on her
I'm trying hard to help myself
But I'm just a do-nothing
I'm trying hard to help myself
But I'm just a do-nothing
