

# Fools Parade

Caesars

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound

This block has been overthrown  
By dogs eating up our homes  
Cold lights hit the better shacks  
I'm leaving this town

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound

Everyone needs a place to stay  
Everyone has a price to pay  
But it's turned into a fools parade  
I'm out of the game

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound

I don't wanna stay  
On these frozen grounds  
So baby, take me away  
I'm higher bound
