

Fun And Games

Caesars

Hey girl, you're feeling real uptight
No fun and games for you this friday night
Your daddy says you might as well go to school
Well he pays the bills, so don't you be no fool

'Cause you're a young girl and you're really not on your own
You're a young girl and you shouldn't be allowed to roam

Now listen to me and hear what I've got to say
Love will come your way one of these days
And in just a matter of time
Every little thing is going to be just fine

'Cause you're a young girl and you're really not on your own
You're a young girl and you shouldn't be allowed to roam
You're a young girl and you're really not on your own
No, you're a young girl and you shouldn't be allowed to roam

'Cause you're a young girl and you're really not on your own
You're a young girl and you shouldn't be allowed to roam
You're a young girl and you're really not on your own
No, you're a young girl and you shouldn't be allowed to roam
