

My Heart Is Breaking Down

Caesars

I see the lightning strike the tree
It's when my love moves away from me
I hear the thunder roaring by
The rivers of salty tears you cry

My heart is breaking down
And I like to arrange to see you again
I can't go on without you
So don't be too long 'cause my heart ain't strong

Ain't got no sugar in my coffee
The times are hard and got the right cards
My cup is running over
My coffee is cold yeah I'm really so

My heart is breaking down
And I like to arrange to see you again
I can't go on without you
So don't be too long 'cause my heart ain't strong

I see the lightning strike the tree
It's when my love moves away from me
I hear the thunder roaring by
The rivers of salty tears you cry

My heart is breaking down
And I like to arrange to see you again
I can't go on without you
So don't be too long 'cause my heart ain't strong

My heart is breaking down
And I like to arrange to see you again
I can't go on without you
So don't be too long 'cause my heart ain't strong
