Oh Yeah?

Caesars

Oh yeah

I talk too loud and much to much
And I stay up all night and I sleep all day
I like to dress up nice in rubber tights
Baby, you stand and stare as I walk by

You don't like what I do
But that's just fine 'cause it's not for you
You don't wanna hear what I say
I keep on screamin' any way

I sell my soul, to steal it back
'Cause the rules that you've made are not for me
And you'll never understand what I'm about
I don't think twice and I don't look back

If you don't like what I do
But that's just fine cause it's not for you
You don't wanna hear what I say
I keep on screamin' any way
