

Only You

Caesars

(Wanna go out honey?)

Baby you've got ears just like Dumbo
It's so sweet
And your knees knock together
When you're walking down the street
Your eyes never look in the same direction
at the same time
I don't think you're the smartest girl on the block
But I don't mind

Only you can reach my heart
Only you and no one else
Only you can reach my heart
Only you can reach my heart

Everytime we go out
People stop and stare
And they talk about us
And they don't understand what we got
We got true love baby
We've synchronized our heartbeats
And we got the same size in shoes
Yes we do

Only you can reach my heart
Only you and no one else
Only you can reach my heart
Only you can reach my heart...
