

The Cannibals

Caesars

Well there's a party tonight
But we're not asked to come
They say we're cannibals

Yes we're coming
Taking over
Fucking shit up
Big takeover

Why won't you give us a chance?
We're not as bad as they say
They call us cannibals

Well there's a party tonight
But we're not asked to come
They say we're cannibals

We sound the robots
We've got that slim look
It's none of our business
What we do

Well there's a party tonight
But we're not asked to come
They say we're cannibals
