

# Up All Night

Caesars

I can sit up all night  
If I wan't to  
Gonna be alright

I can stay up all night  
If I need to  
Just like I used to do  
Before

My baby can stay out all night  
If she want's to  
She's gonna be alright

My baby can stay out all night  
if she needs to  
She's got things to do  
for sure

I can sit up all night  
If I wan't to  
Gonna be alright

I can stay up all night  
If I need to  
Just like I used to do  
Before

My baby can stay out all night  
If she want's to  
She's gonna be alright

My baby can stay out all night  
if she needs to  
She's got things to do  
for sure
