

# Waking Up

Caesars

Waking up  
All I sense is an empty head  
What I've got  
Is papers that I left unread

I hear the sound  
Against the street as it starts to rain  
Pouring down  
But it can't wash away the shame

That's alright  
I'm alright

'Cause I see, baby, I can see, we can do whatever  
You and me, we are free to go, free to go wherever  
We may please and we're free to break, break another heart  
And you know, baby, we're all free, free to play our cards

Spinning 'round  
I don't know where to put my feet  
Hit the ground  
I guess it's time to change my sheets

I know too well  
This business ain't 'bout being fair  
And I can tell  
You can never really be prepared

That's alright  
I'm alright

'Cause I see, baby, I can see, we can do whatever  
You and me, we are free to go, free to go wherever  
We may please and we're free to break, break another heart  
And you know, baby, we're all free, free to play our cards
