

If You Hold A Stone

Caetano Veloso

If you hold a stone, hold it in your hand
If you feel the weight, you'll never be late
To understand
But if you hold the stone, hold it in your hand
If you feel the weight, you'll never be late
To understand

If you hold a stone, marinheiro sy
Hold it in your hand, marinheiro sy
If you feel the weight, marinheiro sy
You'll never be late, marinheiro sy
To understand...

Mas eu nro sou daqui
Marinheiro sy
Eu nro tenho amor
Eu sou da Bahia
De Sro Salvador
Eu nro vim aqui
Para ser feliz
Cadk meu sol dourado
E cadk as coisas do meu pajs
