Just when you thought you had it
Just when you thought you had it all
Just when you thought you'd seen it
Just when you thought you'd seen it all
Just when you thought it'd happen
Just when you thought you'd never know
Just when you thought you had it
Just then you thought you had control

Just when you thought you had it
Just when you thought you had it all
Just when you thought you'd seen it
Just when you thought you'd seen the fall
Just when you thought it'd happen
Just when you thought you'd never know
Just when you thought you had it
Just when you thought you had
