

## Lay Low (Reprise)

Cafuné

Leave a line, you'll be fine  
Why don't you lay low?  
Give it time, you'll be fine  
Why don't you lay low?  
Down the line, you'll be fine  
Why don't you lay low with me?

Leave a line, you'll be fine  
Why don't you lay low?  
Give it time, you'll be fine  
Why don't you lay low?  
Down the line, you'll be fine  
Why don't you lay low with me?  
Why don't you lay low with me?

Leave a line, you'll be fine  
Why don't you lay low?  
Give it time, you'll be fine  
Why don't you lay low?  
Down the line, you'll be fine  
Why don't you lay low with me?

Are you mine? Never mind  
Why don't you lay low with me?  
Why don't you lay low with me?
