

Lay Low

Cafuné

Being I said you'd lay low
Being you said you'd stay
So I called in late
Leaving ourselves to bet on
Putting my cards to play
So I called fate

Leave a line, you'll be fine
Why don't you lay low?
Give it time, we'll be fine
Why don't you lay low?
Down the line, you'll be fine
Why don't you lay low with me?
Why don't you lay low with me?

Leave a line, you'll be fine
Why don't you lay low?
Give it time, we'll be fine
Why don't you lay low?
Down the line, you'll be fine
Why don't you lay low with me?
Why don't you lay low with me?
