

Letting Go

Cafuné

Do you have trouble with letting go?
Do you have trouble with letting her go?
Does your cold heart grow?
Does your cold heart grow warm in the summer sun?

I'll follow
I'll follow
I'll follow you home
Oh, tomorrow
Tomorrow
You know I'll come
Away from these awful sounds

Do you have trouble with letting go?
Do you have trouble with letting her go?
Can you see the things that you don't know?
Can you see the lights of Paris in your soul?

I won't follow
I won't follow
I won't go home
Oh, tomorrow
Tomorrow
You know I'll come
Back to these awful sounds

They told you wrong
You should have gone on your own
They told you wrong
You should have gone on your own

Said I had trouble with letting go
Said I had trouble with letting him go
I let it go
Tell me all the things that I don't know
Whisper in my ear that our love can't grow
I'll let it go

But now I know
That I don't know you anymore
