

# Temporary Lover

Cafuné

I got your letter  
Guess I'll see you in November  
(Are you still there?)  
Now that you're better  
I hope you handle things differently

Guess I'll just hold this in for now  
Ready to burn it to the ground, yeah you  
Tell me you love me for now, yeah  
Tell me you need me here for now  
Can't even tell what's up from down  
Breathing it in so I don't drown  
Now I find out  
Mmm, now I find out  
(Ugh)

All this wasted effort  
Brought us closer together  
Temporary lover  
Temporary lover  
Time makes hearts grow fonder  
I can't help but wonder  
Temporary lover  
Temporary lover

Oh, whoa...  
It breaks my heart  
Whenever you're cold  
I try to close my eyes  
So then I won't know  
You know what I want and you're leaving

(No baby, no)  
There's still some time to get even  
(Get even, but you're my)  
Temporary  
(You're my)  
Temporary  
You're my temporary  
If I close my eyes, it will go away

Guess I'll just hold this in for now  
Ready to burn it to the ground, yeah you  
Tell me you love me for now, yeah  
Tell me you need me here for now  
Can't even tell what's up from down  
Breathing it in so I don't drown  
Now I find out  
Mmm, now I find out  
(Ugh)

All this wasted effort  
Brought us closer together  
Temporary lover  
Temporary lover  
Time makes hearts grow fonder  
I can't help but wonder
