## **Sabertooth Tiger**

## **Cage the Elephant**

On the other side of town lives a sabertooth tiger Paint's a real good picture, he's an excellent liar His mouth is full of sand and he's dying to meet you His mouth is full of sand he's just dying to meet you On the other side of town lives a sabertooth tiger

Runaway runaway runaway from the beast Got a bullet in your back and you're shaking at the knees Runaway runaway runaway from the beast Got a bullet in your back, runaway from the beast

Colder than an ice cube and faster than the fastest cheetah He's hiding in the kitchen he's a right brain eater His mouth is full of sand and he's dying to meet you His mouth is full of sand he's just dying to meet you On the other side of town lives a sabertooth tiger
