

## Beyond And Back

Cage

It's the... Worm King!  
Here to teach you strange things  
They slammed me on my chest to earth with clipped off wings  
So trynna flap squirtin' with your bitch if shes hurtin'  
My worms crawled in her, then crawled out through venti... lati  
on  
Got 16 hearts all palpitating  
Mutate half way through the manifestation  
I got 5 star ratings on my dick, rapin'  
Scrappin' your brains with the brush of death  
Sent for some fuckin' "NOISES!"  
With no bitch ass accent  
Militant experiment goin' AWOL!  
Plus your runnin' down the block with your ripped off face, cal  
l  
The Son of Pontius if your martyrs is feelin' monstrous  
My subconscious projects psychedelics mirages under garages  
I split jeans like a hulk scientist  
Slobbin' off the hook with the fuckin' worm bitch  
Fuckin' worm bitch, fuckin' worm bitch
