# Crazy Men Ahead

**Cage**

I get the straight jacket on my back so come and strap it miss
Made to see your brains so on the ground I gotta crack it
Poke her til the point your head is open
Yo I hope you got the pores to cut away my fuckin throat
Cause I'll be coverin the screams of your women if I rape her
Stick her with my butcher knife and now I'll make your paper
I'm not christianlatin but I'm livin like a duke
I'm makin mad loot I'm seein crazy shit to make you puke
Fuck the age I don't respect them
Rather take a double barrell shotgun and fuck you in your rectu
m
The insane spectrum in effect and it's gravy
Mr charles manson got a body count like motherfuckin crazy
I'm bravely suckers are a no no
Yo jeff b isn't crazy hes a broken hearted homo
So so the culture like a vulture I'll be rippin off the flesh
Who's the bastard put mobbs up in a caskett
Everybodies dead up in my head I'm just a sicko
All those who call me sucker done already sucked a dick so
Back off and step back cause you child is much whack
Figurin your crew is givin head the way your lips smack
Tosser I'm the boss who's given losses to your kitty
I'm break your fuckin back like I'll be pullin out on titties
Mr onedy how many womens undies did you bloody
If I count them on a 5 I think you got me on a nutty type of gu
tsy
Got's nuts I hit sluts and young lambs the young man
Sam I am I do slam I can't stand my dick jammed tastes great
So hows about some head mrs reagan I'm sure your fuckin redneck
 regae is lookin great and
Participate in what I like to call a dog to dairy
The crazy man ahead is out to kill the happy cherry
And rappers say that shit is big of me
I get the crowd lives effects without the fuckin diggity

I torture niggas armys like a doppy
Stink just like a nazi heres the hallocaust for those that wann
a stop me
With 9 m&ms in your mouth when I be flexin
Bust my knuckles full of glass cause I swung at my reflection
Mr grid the massacres spectacular bout um um
This wasted nigga happens to be a fan of jones town
Jones town you know jim jones mr suicide
Had everyone in the town drinkin juice with cyanide
And seconds understand this guys a loose screw
A broke lid so when I'm in your neighborhood be careful of your
 40 kid
