

## Probably Causes Paranoia

Cage

OK, you take your standard doobie right and dip it in embalming fluid, cut it with God knows what and BAM!  
Embalming (skips) fluid are you kidding me? I've smelled that shit it's like lethal...  
Hey what was he on? Some weird shit I don't really know...  
I heard that he smoked a joint dipped in embalming fluid...  
Yeah I wouldn't know...  
That wouldn't be embalming fluid that you stole from my house right?  
What the fuck is wrong with you?
