

# DIE DOWN

Cailin Russo

Baby  
Come taste it  
The open  
The naked  
Let's put away all of the fakeness  
This moment  
Elated

Ha ha ha

Don't wanna fight it  
I wanna feel it all night  
Don't wanna stop it until we see the sun  
Your hand in my hand  
Let's watch the faces subside  
(Let it all)

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

(Doo Doo)  
(Doo Doo Doo)

Fast pace  
Lights change  
Lets run it  
Don't be  
Afraid  
To love it  
Stay  
Now that the room is big enough for us to play

All night  
You're mine  
Come closer  
Sweat down  
My spine  
Don't wanna  
Wait  
I think it's better if we take it all the way

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)  
Lalalalalalala

Duh duh duh duh duh die down  
(Duh duh duh duh duh die down)
