

PSYCHO FREAK

Cailin Russo

I could be a psycho freak
Cause I do what I like to yeah

If you wanna die with me
Cross the T's and dot the I's too

I stay awake
My body moves in ways

He likes my waist
He tells me everyday

I drink champagne
I can do this every day

Don't play those games
I know you know my name

Please don't take it personal when I can't give you my time
I'm just in my own divine and I can't reply

I could be a psycho freak
Cause I do what I like to

If you wanna die with me
Cross the T's and dot the I's too

I stay awake
My body moves in ways

He likes my waist
He tells me everyday

I drink Champagne
I can do this every day

Don't play those games
I know you know my name

La dada da
La da da da da da
La dada da

La dada da
La da da da da da
La dada da
La da da da da da

I stay awake
My body moves in ways
