

Cain's Dynasty

Cain's Dynasty

I am the one who bears the guilt
I am the hope for the damned ones
I am the one who still carries on
I am the one who still stands and fights
Condemned to wander through eternity...

Sentenced for loving his god
A wicked soul in search for peace
My destiny stained by guilt
My faith is stronger than my sin

There was not second chance for me
Cain's Dynasty - We are marked by his sin
Cain's Dynasty - Vengeance is not for me

I am the one who still carries on
I am the hope for the damned ones
Sentenced to wander through eternity...

Everything I touch wears my mark
Everything I kiss, touched by my gift
Everything I see it withers quickly
Everything I love soon will die

There was not second chance for me
Cain's Dynasty - We are marked by his sin
Cain's Dynasty - Vengeance is not for me
Cain's Dynasty - On and on we'll carry on
Cain's Dynasty - A legacy for you and me

I am the one who still carries on
I am the hope for the damned ones
I am the one displaying the guilt
I am the one who still stands and fights

There was not second chance for me
Cain's Dynasty - We are marked by his sin
Cain's Dynasty - Vengeance is not for me
Cain's Dynasty - On and on we'll carry on
Cain's Dynasty - A legacy for you and me
