# Come Forth

**CAIN**

He is a grave robber, He's a wave walker
There ain't nothing that He can't do
He's a storm stopper, He's a death mocker
Now He's giving that power to you
So come forth

Dead man, open your eyes
The Lord ain't finished with you (Oh)
Wake up, you sleeper
Watch what He can do (Ooh)
Dead man, open your eyes
Jesus is calling you
Oh, yeah!

Oh, with a cross they killed Him
But the Spirit filled Him
The gates of hell flung open wide
Now that same Spirit, it lives within us
Step into the power of Christ

Dead man, open your eyes
The Lord ain't finished with you (Oh)
Wake up, you sleeper
Watch what He can do (Ooh)
Dead man, open your eyes
Jesus is calling you

I hear Him, I hear Him
I hear Him calling (Mmm)
I hear Him, I hear Him
I hear Him calling (Oh yeah, yeah)
I hear Him, I hear Him
I hear Him calling
Step into the power of Christ!
I hear Him, I hear Him
I hear Him calling
I hear Him, I hear Him
I hear Him calling
I hear Him, I hear Him
I hear Him calling (Let's go!)
Step into the power of Christ!

Dead man, open your eyes
The Lord ain't finished with you (No, he ain't finished with you)
Wake up, you sleeper
Watch what He can do (Oh, oh, oh)
Dead man, open your eyes
Jesus is calling you
Oh, yeah, yeah!

I hear Him, I hear Him (Dead man, open your eyes)
I hear Him calling (Oh, I hear Him calling!)
I hear Him, I hear Him (The Lord ain't finished with you)
I hear Him calling (Oh, I hear Him calling!)
I hear Him, I hear Him
I hear Him calling
Step into the power of Christ!
